TO BE OBSTERUBLE

W. A. Edears, of Frankville, was oured of Liver and Kithney Complaint after life was des-paired of. He had remained from ten to fifteen days without an action of the bowels.—Burdock Blood Bitters cured him, and he writes taak he is a better man than he has been for twenty years past.

If you would escape the ravages of that scourge of the Summer season, Cholera Morbus, keep Dr. Fowler's Extract of Wild. Strawborry as hand for use. In that and all other forms of Bowel Complaint, it is infallible.

WHEN I AM DEAD. Franklin P. Daly in the Guardi

I would not have the high and storied stone Placed o'er my grave, and then be left alone; But I would have some things I once did love. Ese I did leave the joyous world-above. Placed o'er me. And each succeeding year I'd have my friends renew them, and oft ling

When I am dead.
Forgive—oh this I pray for more than all—
The anguish I have caused, the deed beyond recall,
Think kindly on me as I lie so still,
So poor a subject for an angered will.
Think of some generous deed, some good wor-

Phink of some generous used, spoken, Of hearts bound up I found all sad and broken Phink gently when this last long rest is mine, And gaze upon my form with looks benign, When I am dead!
